## Parish Council

### Handyman Contractor

Dedham Parish Council is inviting tenders from interested parties to undertake a variety of 'handyman' works in and around the village of Dedham. There will be a requirement for some work on an ad hoc basis, and some duties may be required on a regular basis.

Duties will be varied and may include repair work, cutting hedges, strimming overgrown weeds, sign cleaning and other tasks to keep the village clean and tidy.

The work would suit a local person with some time to spare. He/she will be self-employed, have the necessary skills, equipment, insurance and transport. They will be contracted on an hourly rate with expected hours to be between 8 and 15 hours a month.

Candidates will be required to attend an interview and references will be taken.

For further information please contact the clerk on 01255 871483 or at [clerk@dedhamparishcouncil.org.uk](mailto:clerk@dedhamparishcouncil.org.uk)
