

The Dedham Youth Club is devoted to the young people of Dedham who either live in the village or have attended Dedham Primary School. Children are generally invited to become members once they have completed their SATs in Year 6 and are welcome to continue their annual membership throughout their high school years. There are currently 60 members.

The Youth Club strives to create a safe environment where the young people can meet up and enjoy themselves freely as young adults under the supervision of our dedicated Youth Worker. Activities are often organised, with occasional theatre trips. Sweets and Drink are available to purchase.

The Youth Club meets on Friday nights from 7:30pm at the Duchy Barn. Entry fee applies.
